

Demand The Rhetech Advantage

Electrical Assemblers

Rhetech, a semiconductor equipment manufacturer, builds equipment utilized in the wet-processing of wafers and is located in Coopersburg PA. We are currently in search of Electrical Assemblers for our second shift. Second shift is Monday-Thursday 2:30 PM – 1:00 AM (4 / 10-hour days).

Electrical Assemblers will be responsible for harness building, point-to-point wiring, electrical and electronic component mounting and panel assembly. Need 2 to 5 years experience in electrical assemblies, wiring, harness building, wire panel assemblies and experience assembling electrical and/or mechanical components.

Submit resumes with salary requirements to hr@rhetechinc.com or fax to 610-282-0789. Rhetech offers competitive pay rates as well as a generous benefit package. EOE.
